

Capability Statement

Lisa Taskov – Childcare Placement & Design Consultancy

Company Overview

Lisa Taskov brings with her over 25 years of experience in the early years education and care sector, including 18 years as a service manager and over 6 years as a lead educator with on the ground experience. With qualifications in the Early Childhood arena, Lisa provides expert consultancy services that support early years approved providers, managers and families to deliver well designed, high-quality, safe, and compliant services.

Her consultancy is dedicated to supporting concept & preliminary building design, restyling & renewal design, strengthening organisational practice, enhancing compliance, and ensuring positive outcomes for children, families, and staff. Furthermore, Lisa is ideally placed to offer a wide variety of child placement advice and options for the parent/guardians who are short on time and need the expert knowledge on guiding them through the journey of finding the right childcare service for their little ones needs.

Core Competencies

- Early Years Design Briefing Reports – Supporting services and colleagues with layout and design briefs from concept to implementation.
- Peer Reviews – Supporting services and colleagues in competent peer reviews, applying critical evaluation to support quality outcomes, team development and continuous improvement.
- Program Design Review & Feedback Reports – Supporting services with programming input and educational leadership practices.
- Childcare Placement Services – Providing families with tailored guidance and support, enabling them to streamline access to quality childcare solutions and cut through the complexity of choosing a service and getting the right choice quickly.

Differentiators

- Over 25 years of industry leadership experience in early years education and care services.
- Advanced diploma & diploma qualifications in early years education, educational leadership training and various early years certificates.
- Deep knowledge of regulatory frameworks and compliance obligations.
- Proven track record in guiding services to achieve and maintain quality ratings.
- Practical, tailored, and professional approach that supports colleagues, approved providers, management, families and educators.

Past Performance

- Directed and managed early years education and care services with teams of educators and large numbers of enrolled children.

- Successfully led services through compliance, audits, reconciliation action plans, service inclusion plans and quality improvement plans.
- Provided consultancy and mentoring to emerging early years leaders across multiple services, including directors, assistant directors, lead educators and educational leaders.
- Lisa has been a member of the PELS Committee from 2023 to July 2025 (Peninsula Early Learning Strategy) in consultation with local schools and early learning services in the Moreton Bay region advocating for early years learning and transitions. Creating sector training topics, engaging trainers, establishing flyers, posters and other networking-based opportunities for the local community. Prior to this Lisa was also a committee member of the Pine Rivers Early Years Learning Forum for around five years in the same capacity so has great knowledge and expertise around community collaboration.
