

Personal *Philosophy*

Lisa Taskov - Manager

Childcare Placement & Design Consultancy

With more than 25 years of experience in early childhood education, my philosophy is grounded in the belief that every child has the right to safety, belonging, and high-quality early learning. My Advanced Diploma, Blue Card, and child safety qualifications underpin my commitment to delivering practice that is ethical, responsive, and developmentally informed.

I am passionate about early intervention and recognise its critical role in supporting long-term wellbeing and developmental outcomes. I strive to identify and address individual needs early, ensuring that each child receives the guidance, security, and opportunities they require to thrive.

Collaboration sits at the heart of my work. I value strong, respectful relationships with children, families, and professionals, and advocate for safe, inclusive, and supportive environments where all children can learn, grow, and reach their full potential. LT
